

# Varsity, Alumni Grapplers Meet Dec. 1

## ECC to Host 'Old Grad' Wrestlers

"D" Day for the El Camino College Varsity-Alumni meet will be Friday, Dec. 1, at 7:30 p.m., wrestling coach Dave Hengstler announced today.

After bowing to the Alumni and San Bernardino last year, El Camino College wrestlers won 10 straight. Hengstler is optimistic about the varsity team reversing these two losses this year.

More than 1000 fans crowded into the women's gym to see the initial meet last year, won by the Alumni 19-18. Five of the victors of the spectacular meet were winners by a single point. One match ended in a tie.

### OUTSTANDING

Jun Watanabe was the outstanding wrestler for the varsity, and Foster Johns was the outstanding wrestler for the Alumni last year.

Both teams are training for this wrestling meet and intend to give the crowd a top performance in speed, wrestling ability, endurance, and strength.

The Alumni are training twice a week under the leadership of Alum Dale Deffner at Mira Costa High School, Tuesday and Thursday night from 5:15 to 7 p.m.

Any former Alumni wrestlers who are not coaching and are interested in participating in the meet may call Deffner at OR 1-5321 for information.

It's a little late to plant new lawns inland, but coastal gardeners can still set them out.

COACH DAVE HENGSTLER of El Camino College demonstrates a quarter nelson on Foster Johns, outstanding Alumni wrestler of the 1960's Alumni-Varsity wrestling meet. Other members of the 1958-1959 squad are from left to right: (standing) Darrell Gilman, Bob Engelhorn, Laurie Belger, Raul Gransby and Colman Polvado.

(Kneeling) Dale Deffner, Mary Christensen, Cliff Guillory, and Frank Addleman. Gilman, Engelhorn, Belger, Deffner, Addleman and Johns will be members of the 1961 Alumni squad which will tangle with El Camino's 1961-62 varsity Friday, Dec. 1, at 7:30 p.m. in the Warrior's home opener.

# Good Housekeeping devoted 12 pages to this smart Encino Home!

(of course... it features a modern gas range!)

It's not surprising that Good Housekeeping came to Encino Hills for a feature article in the September issue. For this home is news—filled with fresh ideas. One of its outstanding charms is a beautiful kitchen. It's typically Southern California—and features a modern gas range.

You're invited to visit Encino Hills soon. To see the "house with the outdoors built in." To see the smart new look in modern gas ranges. When you're ready to buy—a new range or a new home with a built-in kitchen—select a modern gas range with the finest automatic features.

Marian Lee, builder of Encino Hills says, "BALANCED POWER is the common-sense approach to modern living in Southern California. It puts two powers to work—each one doing the jobs it does best. Electricity is provided for lighting, TV, and small appliances. Gas handles such important household jobs as cooking and year 'round air conditioning."

Exterior view of Encino Hills Model Home shows how effectively the architecture joins outdoors with indoors.

Now open—10 a.m. to 8 p.m. Encino Hills Model Home. In Los Angeles take Ventura Freeway to Havenhurst off ramp.
